Mr. Orlando stressed that it is very important, that we follow the main stream of World Sports. It is the primary aim for IFF to enter the Olympic Family, but we still have members that do not follow all requirements. It is therefore the task for IFF, that we continue to work on the political field, in order to fulfil these requirements.

Without a competence centre there is not a possibility to work, Mr. Orlando asked the members to support the Office in its efforts to support the development. The more professional we become, the more can be left in the hands of the Office, therefore the CB has agreed to limit the number of active committees.

Mr. Orlando informed that the competitions will stay the same, apart from the EuroFloorball Cup until 2008. The RACC went out asking the federations, what Floorball should be when changing the regulations and the competition system, the result being a number of changes in the Organisers and Competition regulations.

It has been difficult for the IFF to enter the International World sport fields and IFF is in the process of signing a collaboration convention with the World University Sports Federation – FISU, which is the first step into the Universiade. We have been approached by a number of International Organisations, but the Central Board have decided to select into which we will enter.

Mr. Orlando asked the federations to actively be in contact with the IFF Office. IFF is trying to build up the IFF web-site as a portal for International Floorball. Mr. Orlando told that the next two years will be very heavy for the IFF but also for the IFF member federations.

Mr. Liljelund informed about the Floorball Development Programme Seminars that will be organised in 2006-2007 and asked the federations to actively take part in these seminars and build on the learning from them. The Seminars will be organised in the Netherlands (Western Europe in September 2006), in Poland (Central Eastern Europe in October), in Singapore (Asia Oceania in December) and Canada is planning to organise a seminar for North America in April 2007. The invitations to these seminars will be sent during July.

Mr. Martin Wolmhed, representing the Swedish Federation thinks that it is important to have a tight group working in the CB

Mr. Matti Ahde, President of the Finish Federation wanted to thank the IFF, for the opportunity that Finland has had the chance to host the IFF Office. Mr. Ahde thinks that the work has started very well and would like to congratulate Mr. Eriksson for the re-election. The Finnish federation has restricted itself from nominating a second nominee to the IFF Central Board, in order to have an effective central board. The Finnish finds it very important that there are both men and women in the central board of the IFF.

Mr. Eriksson asked the nominated candidates if they stand for election, all candidates wanted to stand for election with the exception of Mr. Marek Budzinski, President of the Polish federation, who withdrew his nomination. Mr. Eriksson invited Mr. Budzinski into any other function in the IFF.

The General Assembly decided to re-elect Mr. Mikael Brandstam as auditor of IFF for two years.

§ 14 Examinations and decisions on proposals and motions of the members

Mr. Renato Orlando described the changes put forward of the IFF Juridical regulations and explained how this will affect the IFF and its member federations. The new Juridical regulation is built on the basis of what a modern international organisation needs.

Mr. Jorgen Olshov from the Italian federation felt it to be good to improve the understanding of the regulations. He felt that there where some small changes needed in the text so that the Juridical and Statutes would be alike.

The General Assembly decided to approve the IFF Juridical regulation (enclosure 12).

Mr. Renato Orlando presented the forming of the Asian and Oceania Floorball Confederation and thanked the AOFC President Mr. Sani Mohd Salim for the initiative taken by him and the Asian and Oceania IFF member federations. § 18  Modification of the statutes (changes in statutes a 2/3 majority is needed)

Mr. Eriksson noted that the IFF Central Board has prepared new IFF Statutes, taking into account the requirements of the WADA and the Court of Arbitration in Sports (CAS). *(enclosure 13)*

Mr. Orlando explained that the new Statutes have been prepared in order to be more modern and fulfil the need of the chancing and growing IFF.

Mr. Jorgen Olshov from Italy asked if the Article 40, listing the different sanctions is sufficient, since there are more sanctions mentioned in the Juridical Regulations.

Mr. Orlando answered and explained that there is no need to do that, since the Juridical regulations have been accepted by the General Assembly.

Mr. Hans Botman, President of the Netherlands federation, felt that in the proposed Statutes Article 31, it is mentioned just to elect 6 members, one from each country of the Central Board, he felt that the growing of the IFF needs to give the possibility to enlarge the IFF Central Board, in order to ensure that all federations have an equal possibility to enter the Central Board.

Mr. Andrew Clough, representing the United Kingdom felt that the four big federations could fully control the CB, but still felt that the Statues gives the possibility to have co-opted members to perform certain tasks either in the committees and elsewhere.

Mr. Orlando answered both Mr. Botman and Mr. Clough explaining the view of the IFF Central Board.

Mr. Ahde, President of the Finish Federation, felt that all the continents should be included in the Central Board and that the issue will have to be reconsidered in the future.

Mr. Botman asked for a vote about the article 31.

Mr. Eriksson asked the General Assembly if it could accept the proposed IFF Statutes excluding the Article 31. The General Assembly unanimously accepted this.

Then Mr. Eriksson asked the member federations for a test vote, which proved that there was not enough member federations in favour of the motion made by the Netherlands Federation and therefore Mr. Eriksson concluded that the General Assembly had approved the new IFF Statutes.

The General Assembly decided to change the IFF Statutes according to the IFF CB proposal.
