Regarding WFC 2004 C-division

Dear floorball friends,

You have both announced an interest to organize the C-division of the Men's World Championships 2004. It has been discussed, within IFF, that the C-division preferably should be played in April 2004 (the international weekend is 24-25.04 so this weekend should preferably be included).

8 teams has registered participation and the needed days of play are as follows:

Group matches: 3 days, 4 matches per day
Play off matches: 2 days (1 day 4 matches, 1 day 2 matches)

For the IFF to be able to start a negotiation with any of you there is need of some basic information on how your alternative would look.

1) Information regarding the planned Arena
   a) Where is the arena situated (city) ?
   b) What spectator capacity has the arena ?
   c) What kind of floor ?
   d) Other info regarding the arena worth mentioning (restaurant, cafeteria etc.) ?

2) Information regarding possible accommodation for the teams
   a) What kind of accommodation possibilities are situated near the arena (hotels, youth hostels etc) ?

3) Information regarding transportation
   a) Do you have a solution for transportation from airport/railway station/harbour to hotels ?
   b) Do you have a solution for transportation between hotels and arena ?

4) Information regarding financials
   a) How would a brief budget look ?
   b) Will you get any support from city/region/government for organizing ?
   c) Would you expect any financial support from IFF or would you be ready to pay to IFF ?
   (if financial support - in what sense ?)

Looking forward to your reply, asap, latest 15.05 at 16:00 CET, I remain with

Kindest regards

Information regarding the planned arena
Actually we have the possibility to organize the WFC in two arenas.
Both of them are available for us at the dates of the event from **April 19th to April 25th**.

Both arenas are situated in the city of Leganes that is 15’ ride south from Madrid and well communicated by bus and subway.

**Map of the subway of Madrid.** Find the green marks in the south (Leganes central and Severo Ochoa)

**Arena “Alfredo Di Stefano”**

This arena is placed in the Universitary Campus “Carlos III”. and its characteristics are:

- Capacity for 1,000 spectators;
Floor made with “Taraflex”;
- 50 x 35 mts. playing space
- 4 dressingrooms for players with 60 lockers each one
- 1 dressingroom for referees
- Good lighting for T.V.

Arena “Europa”
This arena belongs to the city council and they will lend it to us.
- Capacity for 4,000 spectators
- Wooden floor Yunker type;
- 50 x 32 playing space
- 3 double dressingrooms for players
- 2 dressingrooms for referees
- Good lighting for T.V.

We are already in contact with two floor makers, one in France (Gerflor) and another in Spain in case that we should need to put on the original floor of the arenas a new one for the event.
About the theme of restaurants and cafeteria there is no problem because there are establishments in the same block of the sports centre or even crossing the street. Nowadays we are are in talks with some of them to get nice prices for the people involved with the event (players, referees, volunteers…)

Accommodation
There are two hotels at 5’ ride from the arenas (Hotel Parquesur and Hotel NH) and other two at 200 m from the “Alfredo Di Stefano” centre (Hotel Avenida and Hotel Tryp Leganes.
Prices go from 53 to 132 €/night double room
There is a Youth Hostal 20’ from Leganes. The prices are 7,8 € for younger than 26 and 11,55 € for older than 26. It includes breakfast

Transportation
We have assured the trasportation of the teams and referees from the airport to the hotel and back to the airport and from the hotel to the arena with a bus (for the teams) and a car (for referees) at our service lent by the city of Leganes.

Information regarding financials
As you may know on May 25th there will be local elections so many political posts will change. Thats why we are only dealing with people that sure will not change their job so so the support that we already have will stay as it is or even increase but in any case it will decrease.
One of these organizations is the Madrid 2010 Office whos goal is making Madrid organize the 2012 Olympic Games. They work for the Comunity of Madrid but are independent of the political party, so all he support the Comunity of Madrid will give us comes through them.
The city of Leganes will give us a big support. In this town is where spanish floorball was born and they don´t want to miss the oppotunity to organize the first World Floorball Championship played in Spain ever.

Application for ordinary membership

Dear Mr. Schupp,

The Central Board of the International Floorball Federation (IFF) has decided to apply for ordinary membership of GAISF.

The IFF is aware that the application will be treated in 2004, and eventually decided upon in the GAISF Congress 2004.

The IFF wants to show our commitment to sports and our willingness to take part in all fields and share our mutual responsibility. Therefore the IFF also aims to apply to the IWGA to become a member in order to be able to take part in the World Games. Well aware of all applicable statues and laws the IFF will now humbly ask the IWGA for observer status at the upcoming World Games in Duisburg in Germany July 2005.

The IFF has also informed WADA that we fully agree upon and has now accepted the World Anti-Doping Code, which was mutually discussed at the last anti-doping conference in Copenhagen.

The International Floorball Federation (IFF) consists of 31 member Associations from which 15 are recognized by their National Sports Authorities.

By the end of March 2003 the IFF consists of 31 member Associations with 3,900 clubs and 208,000 registered players.

With sincere regards

International Floorball Federation

Application for observer status

Dear Mr. Froehlich,

The International Floorball Federation (IFF) wants to show our commitment to sports and our willingness to take part in all fields and share our mutual responsibility. Therefore the IFF has applied to GAISF to become an ordinary member, well aware that such an application will not be treated until 2004.

We have also informed WADA that we fully agree upon and has now accepted the World Anti-Doping Code, which was mutually discussed at the last anti-doping conference in Copenhagen.

The Central Board of IFF aims to apply for membership of the IWGA.

We are aware that an application can’t be treated and decided upon until the IFF has gained ordinary membership of GAISF.

To be able to learn for upcoming World Games, where we hope to be a participant, we humbly ask the IWGA for observer status at the upcoming World Games in Duisburg in Germany July 2005.

By the end of March 2003 the IFF consists of 31 member Associations with 3,900 clubs and 208,000 registered players.

Looking forward to hear from you, we remain

Yours sincerely

Acceptance of the world anti-doping code

Dear Mr. Syväsalmi,

The International Floorball Federation (IFF) wants to show our commitment to sports and our willingness to take part in all fields and share our mutual responsibility. Therefore the IFF has applied to GAISF to become an ordinary member, well aware that such an application will not be treated until 2004.

We also aim to apply for membership of the IWGA, an application that can’t be treated until the IFF has gained ordinary membership of GAISF. Meanwhile we will humbly ask the IWGA to be given an observer status at the World Games in Duisburg 2005 – to be able to learn for upcoming World Games where we hope to be a participant.

The IFF Central Board fully agree and has decided to accept the World Anti-Doping Code, decided by the WADA Foundation Board on March 5 2003, as the basis for the fight against doping in sports and will implement it into our statutes, rules and regulations.

By the end of March 2003 the IFF consists of 31 member Associations with 3.900 clubs and 208.000 registered players.

Looking forward to our future co-operation, we remain

Yours sincerely

Enclosure: Signed acceptance of the World Anti-Doping Code
Dear friends,

Vice President Mr Orlando and myself meet with IOC administration Olympic Games Executive Director Mr Felli in Lausanne on April 14, 2003.

See enclosed letter to IOC and Mr Felli.

The advice mentioned in the letter were as follows, in short:

- Develop the present existing member associations, do not have a lot of members "on paper". (remark, this is now the case, i.e. we do not have members on paper, practically all want to register, presently 28, for WFC 2004)
- Make sure that the sport is showed and broadcast on TV, not only nationally (remark, carry on to enable broadcasting from "all" WFC even outside the organising country. Now e.g. SUHV in cooperation with IFF Axel Wester coordinates TV broadcasting from playoffs in Suisse. We are also working on Eurosport)
- Make sure that the sport attracts the youth! (remark, this is floorball!!)
- Keep the sport available and fairly cheap (remark, this is also floorball!!)
- Work on international recognition from other sport bodies (remark, WADA, GAISF etc)

The conclusion, said also frankly from Mr Felli was that we ought to wait for applying for IOC recognition until later this year 2003. This because the IOC is rewriting its guidelines for (not the actual IOC § 39 charter law concerning IOC recognition) the recognition process as such.

Looking forward to your response and meeting you all in Switzerland I remain,

Yours sincerely,
Tomas Eriksson

Dear Mr. Felli,

On behalf of the International Floorball Federation (IFF) and myself and Vice President Mr. Orlando, I would like to convey many thanks for the opportunity to visit you, and Mr. Lenglet, in Lausanne on April 14, 2003.

It was very important for us to be able to meet with you in order to inform you about the present status of floorball worldwide and about our future plans. The advice given to us, dear Sir, was highly appreciated and is to be considered carefully, in order to, in the near future, achieve IOC recognition.

I am happy to state that the IWGA has already given us a positive answer in order to achieve observer status at the World Games in Duisburg 2005 in Germany. This with our application of ordinary membership in GAISF and adopting the WADA protocol on anti-doping work enables us to achieve further international recognition.

As Mr. Orlando and I informed you, Sir, the World Floorball Championships (WFC) for women in May 2003, as well as the WFC for men in May 2004 are played in Switzerland.

Looking forward to meeting you, I remain,

Yours sincerely,

Tomas Eriksson
IFF President

Sponsor negotiations

- Mr Wester has signed a new contract with PUMA (worth approx. 10 – 15 tCHF/year) regarding equipment for IFF referees for a three year period (May-03 – May-06).

- All known suppliers to Floorball have got a letter, in the end of February, asking for their interests to become a cooperation partner to IFF. So far there has been no response, hence we are free to start up negotiations with any partner we feel could be interested.

- Mr Wester has started up negotiations with EXEL (worth approx. 25 tCHF/year) for a three year contract, we are expecting their answer in May-03.

- International Gateway (Canadian) want to become IFF ball sponsor. We are negotiating about contract worth approx. 5 tCHF/year, in addition IFF will get equipment (ball)

- Mr Wester has been a coordinator for broadcasting from WFC 2003. Switzerland will produce and Sweden and Finland will use the signal (bronze and final).

- A few advertising spaces are still to be sold for the WFC 2003. Mr Wester is sure they will be sold out now when the broadcasting is secured.

- We have also started to explore the interest from international betting companies, such as Ladbrokes/Unibet, to cooperate with IFF.

Magazines/Leaflet production

- There are ongoing discussions with the Swedish Floorball magazine “Innebandymagasinet” to produce an international floorball magazine approx. two times per year.

- Mrs Toftera-Slettemoen has started up the work with a new IFF leaflet to be ready good time before WFC 2004.

APPLICATION FOR FULL ORDINARY MEMBERSHIP OF INTERNATIONAL FLOORBALL FEDERATION

The Singapore Floorball Association hereby puts forward its application for full Ordinary Membership of the International Floorball Federation, and would like the application to be considered at the earliest available opportunity. As Singapore prepares to host the 2005 edition of the Women's World Floorball Championships, we believe the time is ripe for our application to progress from our provisional membership to join the ranks of the International Floorball Federation as an Ordinary Member.

We hope that the International Floorball Federation will consider our application favourably.

With warmest regards
